Nicole is a creative individual with a strong foundation **front-end web development** and new media design. She is skilled in crafting digital experiences with an **eye for detail and usability**. Her strong **leadership** and communication skills help her achieve roles such as being the student representative for her cohort at BCIT.

## Education

**British Columbia Institute of Technology**  
New Media Design & Web Development, Diploma  
Sept 2023-Present

- Prioritized learning Front-end Web Development, UXUI Design, App Development Strategy and Motion Graphics.
- Was elected by peers to be the student representative of the cohort. Worked with classmates in collaboration to make projects with agile and waterfall methodologies.

## Vancouver Community College

Hairstylist Program, Certificate  
Sept 2017 - June 2018

- Strengthened core communication skills within client based work environment.
- Developed colour theory foundation
- Practiced foundation with the intention of paying attention to detail and managing multiple tasks within a set period of time.

## Experience

### Field Trip Hair Vancouver, BC

Hairstylist 2022-Present

- Cultivated strong client relationships, ensuring satisfaction through personalized consultations.
- Managed Instagram/TikTok content with high quality photography and engaging videos to grow clientele through social media marketing

### Parlor by Haides Surrey, BC

Assistant Manager/Hairstylist 2018-2022

- Led in-house training days that aimed to refine the techniques and product knowledge of junior stylists.
- Collaborated with barbers and stylists to conceptualize and execute creative projects that showcased our unique skills.

### Salon Blue Surrey, BC

Hairstylist Assistant/Front Desk 2017

- Coordinated with staff to optimize daily schedules, improving time management and ensuring efficient, smooth workflow.
